- In 2014 being a leading researcher of Pushkin State Institute of the Russian Language, S. Titova received a grant and took part in the designing and creating of massive open online courses for professional skills improvement “ICT in Russian as a Foreign Language Teaching” and “ Mobile Technology Integration in Teaching Russian as a Foreign Language” as a part of the RF project *Promotion of the Russian language and learning Russian*.
- In 2015 Titova S. got a grant from the Department of State for apprenticeship in the USA in the programme of international leadership IVLP E-Learning in today and tomorrow's classroom.

Vice Dean, Professor, Department of Foreign Language Teaching Methodology, School of Foreign Languages and Area Studies, Lomonosov Moscow State University, research professor at Far East University (Russia). She has over 25-year experience in researching, teaching, training and publishing in foreign languages education and e-learning. Her main research areas are ICT integration into FL teaching, E-learning methodology, mobile devices and apps in Language Classroom. She has more than a 10-year experience in teaching blended learning classes and distance courses on professional development for FL teachers.

She is a coordinator of the educational website *Learning and Teaching with the Web* <http://titova.ffl.msu.ru> which was set up in 2001. The site was designed for both our teachers and our students. It aims at facilitating the process of implementing web resources and tools into learning and teaching experience, students can find here helpful online tests, syllabi, samples of the best web projects, web activities and research papers. It keeps teachers up to date with the latest developments in e-learning and mobile learning.

She is a material developer and a tutor of online professional development courses *ICT Integration in Language Classroom Course* and *Mobile Technologies in Education* <http://titova.ffl.msu.ru/online-courses.html>; a coordinator of a pilot project *Webinars in Education* <http://titova.ffl.msu.ru/for-teachers/webinars.html>. The main aim of this project is to provide online webinars in history, literature, culture studies and languages for our students and professional development webinars for teachers specializing in Web 2.0 integration (blogs, wikis, e-portfolio tools) into language classroom.

In 2011 Titova S. initiated foundation of Interactive Technologies Center. The main activity of the Center is focused on finding solutions to different methodical problems connected to interactive methods and cloud-, smart- and mobile- technologies based tasks. Titova S. is the coordinator of 2 projects: Webinars as a special form of interactive teaching <http://webinar.ffl.msu.ru> and Mobile technologies in foreign language teaching: theory and practice.

Titova S. teaches the following courses: Introduction to FL Teaching, ICT in Society and Politics, The U.S. by Regions, Socio-political and Cultural Identity of the US Regions for students in the 3,4 and 5 years in Department of Linguistics and International Communication and Regional Studies, “ICT in Research and Teaching” for postgraduate students of the Faculty of Foreign Languages and Region Studies. The Average annual number of academic hours- 243,2 hours.

Titova S. is in charge of Professional development courses. She developed and launched online professional development courses for foreign language teachers <http://ikt.ffl.msu.ru> for professional de skills improvement of school and high school teachers “ICT in FLT” (72 hours), “Mobile Technologies in FLT” (72 hours). In 2015 S. Titova with colleagues developed and started to pilot an online Professional Development course “ICT in FLT” (670 hours).

She coordinates a new long-term research project of LMSU - *Mobile devices in Language Classroom: theory and practice* <http://titova.ffl.msu.ru/for-teachers/our-project.html> which was launched in 2011. This project includes several stages such as evaluating of students' preparedness to implement mobile technologies and teaching staff mobile competences and skills; setting up a moblog for educators devoted to mobile teaching experience; working out the syllabus for a online education professional development course for foreign language teachers *Mobile technologies in Language Classroom*; piloting this course; working out ways to deliver mobile content to our students - (mobile grammar and vocabulary tests, tasks based on mobile reference apps) and to get immediate feedback from the students at lecture courses via Student Response Student www.histproject.no, designing and launching our own specialty educational grammar/vocabulary apps; creating a mobile version of educational web resources site.

She is a member of international professional organizations - EuroCall, CALICO, JALTCALL,

IATEFL (SIG Learning Technologies), NATE, etc., member of the Advisory Board of the 7th International Conference Technology, Education and Development (Valencia, Spain, 2013), 19th International NATE 2013 (Surgut, Russia, 2013), 18th International NATE 2012 (Yaroslavl, Russia), etc.

Titova S. is invited a plenary speaker and workshop presenter to the conferences of Russian professional associations, namely NAAL (National Association of Applied Linguistics) and NATE (National Association of Teachers of English in Russia). She also took part in the following essential international conferences: EuroCALL 2011 (Nottingham), IATEFL 2012 (Glasgow), EduTech (Valencia), EduLearn 2012 (Barcelona), IATEFL 2013 (Liverpool), WorldCALL 2013 (Glasgow), Edulearn 2013 (Barcelona), IATEFL 2014 (Harrogate), EUROCALL 2014 (Gronninghem), EUROCALL 2015 (Padua, Italy).

Published 100 articles and books which include <http://titova.ffl.msu.ru/for-teachers/our-portfolio.html> .

- Titova S., Avramenko A. *Mobile Devices and Technologies in Language Classroom*. Moscow: Moscow University Press, 2013
- Titova S., Filatova A. *Web 2.0 in Foreign Language Teaching*. Moscow: P-Centre, 2010
- Titova S. *ICT in FL Teaching: theory and practice*. Moscow: Quinto-Consulting, 2009

Presentations, workshops and plenary addresses at International Conferences:

Conference	Event
20th International Conference IATEFL 2013 (Liverpool, UK)	Session presentation <i>Teaching Mobile Natives in Russia: challenges and perspectives.</i>
19th NATE Conference Surgut State University. May 16-19 2013	Plenary - <i>Mobile technologies in Language Classroom in Russia: a Blind Innovation or an Unavoidable Necessity?</i> Workshop- <i>Mobile APPS to Enhance Class Interactivity and Assessment - Student Response System (SRS)</i>
4th International Conference on Education and New Learning Technologies <i>EDULEARN 12</i> , IATED, July 2-4, 2012, Barcelona, SPAIN	Section presentation <i>PROMOTING PROFESSIONAL DEVELOPMENT OF FOREIGN LANGUAGES TEACHERS IN ICT IN RUSSIA</i>
5th International Conference ICT in Foreign Language Teaching, June 6-8, 2012, Moscow State University, Moscow	<ul style="list-style-type: none"> • Workshop <i>Mobile Devices in Language Classroom</i>
10th International Conference " Languages in Modern World" , May 28-31, 2012, Saratov State University, Russia	<ul style="list-style-type: none"> • Plenary presentation <i>Mobile Learning today: Perspectives and Tendencies</i> • Workshop <i>Web 2.0 Tools in FLTeaching</i>
18th International NATE-Russia Annual Conference Rivers of Languages, Rivers of Learning, May 24-26, 2012, Yaroslavl State University, Russia	<ul style="list-style-type: none"> • Workshop <i>Developing of ICT Competence of Language Teachers through an Online Professional Development Course</i>

46th Annual International Conference IATEFL, March 19-23, 2012, Glasgow, UK	Session speaker <i>Online Course ICT Competence of Language Teachers: Strategies and Challenges</i>
6th International Technology, Education and Development Conference, INTED2012, March 5-7, 2012, Valencia, SPAIN	Session speaker <i>Moodle for ICT competence development</i>
EUROCALL 2011, Annual International Conference <i>The Call Triangle: Student, Teacher and Institution</i> , September 2-4, 2011, Nottingham, UK	Session Speaker - <i>Online professional development course ICT Integration into Language Classroom for Foreign Language Teachers</i>
5th Annual International Conference <i>Moscow Education Online 2011</i> , September 2-4, 2011, Moscow	Session Speaker - <i>Web 2.0 Tools Integration into Language Classroom: methods and strategies</i>
